

WTC PERFORMANCE GROUP

www.WTCPerformanceGroup.com

Reducing the Gap Between Performance and Expectation Since 1991

Industry: Manufacturing
Sector: Heavy manufacturing

Situation:

- Current leadership group retiring within next 5 years
- Lack of leadership skills for future leaders of company

Client Request:

- Provide customized training for future leaders of company

WTC Performance Group Approach:

- Designed & facilitated 18 mini-classes to meet company goals & specific needs of front line leaders
- Assessed current leadership styles (or lack thereof) of front line supervisors
- Coached supervisors on specific work situations

Client Outcomes:

- Enhanced leadership skills of 100+ front line supervisors
- Improved communication and collaboration of work teams
- Helped identify best prospective leaders of company
